HALL TALK ?

What board game
best describes your
personality and why?

John

Apples to Apples, it gives
you a chance to make
things logical.

Constance

Monopoly, because I
have moved so many
times.

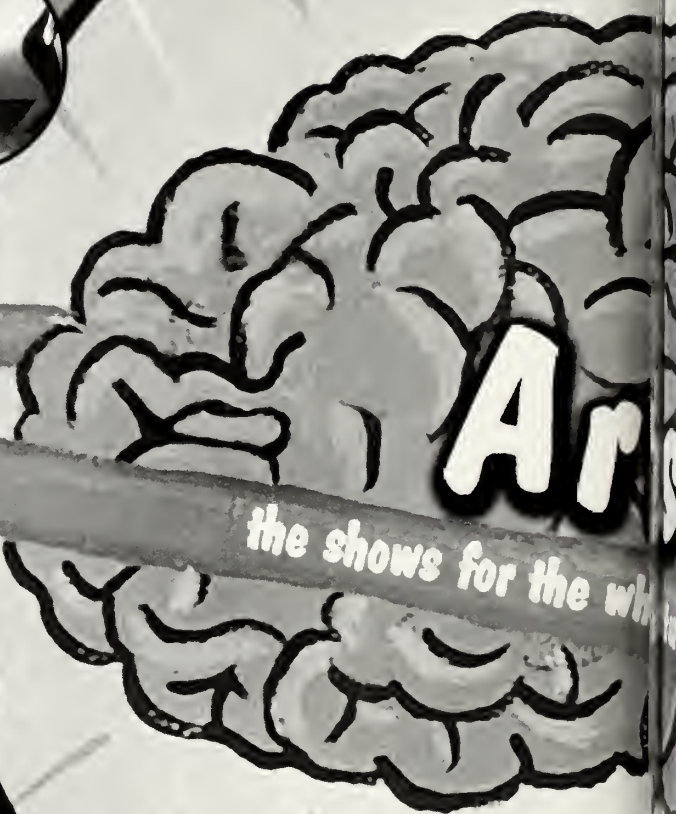

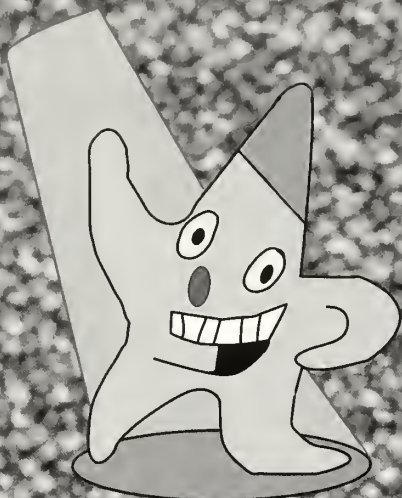

Patricia

Apples to Apples,
because it reveals my
personality.

Maribeth

The game of Life,
because like my
personality it is often
colorful and spontaneous!

Ode to J-Man

Four glorious years, he swaggered through the halls
He batted, he caught, he putted lots of balls
He joked, he beat-boxed, and through it all, he learned
Now we get to celebrate the diploma J-man earned!
Congratulations on a memorable high school career.

With love,
The 'rents and sibs
